Preface.....	iii
Acknowledgements.....	vi
Table of Contents	vii
List of Tables	xii
Summary of the Report	xv
1. Introduction	2
1.1. Industrial R&D Scenario	2
1.2. Methodology.....	4
1.3. Primary Data.....	5
1.4. Secondary Data.....	8
1.5. Organisation of the Report	9
1.6. Approach	9
2. Overview of R&D in India.....	13
2.1. Introduction	13
2.2. Science & Technology Ecosystem in India.....	14
2.3. Evolution of R&D in Industry	18
3. Promotion and Support to Industrial R&D	20
3.1. Promotional Measures for R&D by the Government.....	20
3.2. In-house R&D units established by Corporate Companies.....	21
3.3. About the Recognition and its criteria.....	22
3.4. Scientific & Industrial Research Organisations and Public Funded R&D Institutions.....	25
3.5. Commercial R&D Companies.....	27
3.6. Support Measures for R&D by the Government.....	27
4. Incentives under Direct Tax Laws	36
4.1. Incentives under Section-35 of Income-tax Act 1961.....	36
4.2. Weighted tax deduction on R&D expenditure under Section 35(2AB) of Income Tax Act 1961.....	42
4.3. Other incentives under Income Tax Act 1961.....	48

5. Incentives based on Indirect Taxes	60
6. Non-commercial Research Organisations	70
7. Global Scenario	78
8. Sectoral Data Presentation	90
8.1. Overall Top Spenders.....	91
8.2. Mechanical Engineering (ME)	96
8.3. Automotive Industries (AU).....	99
8.4. Electrical & Electronics Engineering (EEE)	102
8.5. Chemical Industries (CH).....	105
8.6. Drugs & pharmaceuticals (Pharma)	108
8.7. Biotechnology Industries (BT).....	112
8.8. Healthcare Sector.....	115
8.9. Agro Based Industries	117
8.10. Food Processing (including FMCG)	120
8.11. Processing Industries.....	122
8.12. Some Case Studies / Company Profiles	125
8.13. New Products and Technologies Developed.....	163
8.14. MNC Pharmaceutical Companies With R&D Units Recognised By DSIR.....	174
8.15. Top R&D Spending Companies With Foreign Equity	175
9. Study of Impact	179
9.1. Impact of Support Measures for R&D	179
9.2. Impact on number of R&D Units	198
9.3. Impact of R&D Expenditures approved under 35(2AB) by DSIR.....	203
9.4. Sector-wise Impact of R&D based on Primary Data.....	212
9.5. Observations and Interpretations.....	388
10. Conclusions and Recommendations	406
10.1. Conclusions	406
10.2. Recommendations	409
