

Contents

Executive Summary.....	5
CHAPTER-I	8
INTRODUCTION.....	8
Background	8
Sources of Electric Power	10
Literature review.....	16
Chapterisation	20
CHAPTER-II	22
DATA SOURCE AND METHODOLOGY	22
Need for Research.....	22
Objectives of Research.....	22
Scope of the Study and Sample Size	22
Framework for Manpower Estimation	24
Statistical Tools used for Research	25
CHAPTER-III	28
DATA ANALYSIS: POWER & MANPOWER ESTIMATION	28
Power Sector in India	28
India's Power Sector- Generation	30
Power Generation Projections	32
Human Resource Requirements	35
Manpower Projections under Growth, Fuel-Mix and Technology Scenarios.....	39
Human Resource Position at Various Power Utilities	47
CHAPTER-IV	49
TRAINING NEEDS REQUIREMENTS AND ASSESSMENTS	49
Skill Set Required at Different Level of Employees – An Empirical Survey	49
Analysis & Interpretation	51
Factors Influencing the Training & Development Programs in Power Sector	57
Employee Perception towards Effectiveness of Training Interventions	59
Need for Improvement in Training Programs	66

CHAPTER-V	69
CONCLUSIONS & RECCOMENDATIONS.....	69
Issues affecting Power Sector – An Expert Opinion Survey	69
Challenges Related to Human Resource Management	73
Critical Skills/Knowledge Domains Required – Expert View	75
Proposed Strategies for Developing Human Capital.....	76
Developing a Comprehensive Training Plan	80
Disaster Management Courses	82
Simulator Training.....	83
Collaborative programmes with Higher Educational Institutions.....	83
Government Support for Power Sector Reforms and Top Management for Human Resources Development.....	84
Appendix I - Questionnaire Utilized for Identification of Training Needs and Effectiveness	85
Appendix II – Questionnaire Used for Expert Opinions	87
Appendix III manpower Projections Under Alternative Scenarios	90
Appendix IV - Training Load for Technical Personnel	109
Appendix V - Training Load for Non-Technical Personnel and Transmission and Distribution	110
Appendix VI: The list of Training Institutes Officially Recognized by the Central Electricity Authority.	111
Appendix VII List of Institutions Visited	120
Appendix VII - List of Experts Consulted	121
References	122
