|   |     |
|---|-----|
| <i>Preface</i>  |     |
| <b>1. INTRODUCTION</b>  | 1   |
| 1.1 The Problem Setting   |     |
| 1.2 The Project   |     |
| 1.3 Project Output: Structure of the Report                                   |     |
| <b>2. APPROACH OF THE STUDY: METHODOLOGY</b>                                  | 10  |
| 2.1 Introductory Remarks  |     |
| 2.2 The Household Survey  |     |
| 2.3 Survey of Traditional Healers (Vaidyas)                                   |     |
| 2.4 Focus Group Survey  |     |
| 2.5 Survey of R & D in Veterinary Medicine                                    |     |
| 2.6 Problems in Data Collection   |     |
| 2.7 Data Processing and Analysis  |     |
| 2.8 Summing up  |     |
| <b>3. ANIMAL DISEASES: PUNJAB AND HARYANA</b>                                 | 24  |
| 3.1 The Study Districts: General Features                                     |     |
| 3.2 Characteristics of the Sample Households                                  |     |
| 3.3 Diseases in the Sample of Animals   |     |
| 3.4 Per Household Expenditure on Treatment                                    |     |
| 3.5 Choice Between the Traditional and Modern System of Treatment             |     |
| 3.6 Summary and Conclusions   |     |
| <b>4. ANIMAL DISEASES: UTTAR PRADESH</b>                                      | 54  |
| 4.1 The Study Districts: General Features                                     |     |
| 4.2 Characteristics of the Sample Households                                  |     |
| 4.3 Diseases in the Sample of Animals   |     |
| 4.4 Per Household Expenditure on Treatment                                    |     |
| 4.5 Summary and Conclusions   |     |
| <b>5. TRADITIONAL VETERINARY KNOWLEDGE: PUNJAB, HARYANA AND UTTAR PRADESH</b> | 83  |
| 5.1 Preface to Documentation of the Knowledge                                 |     |
| 5.2 Photographs of Medicinal Plants/Plant Parts and Other Materials           |     |
| <b>6. RESEARCH AND DEVELOPMENT IN VETERINARY MEDICINE</b>                     | 123 |
| 6.1 Introductory Remarks  |     |
| 6.2 R&D in the Private Sector   |     |
| 6.3 R&D in the Public Sector  |     |
| 6.4 Summary and Conclusions   |     |
| <b>7. SUMMARY AND CONCLUSIONS</b>   | 151 |
| <b>Statistical Appendix</b>   | 160 |
| <b>Appendix-A: Questionnaire Schedules</b>                                    | 188 |
